The Vedas are mankind's oldest scriptures considered by Hindus to be a direct revelation of God. One of the finest translations to the English Language is done by Professor Raimon Pannikar, who now lives in a small mountain village in Spain. Himalayan Academy has been commissioned to publish his 1000-page anthology of the Vedic Experience in a special edition in the West, while Motilal Banarsidas has produced the Indian edition. In July of 1995 Professor Pannikar gave permission for these Vedic verses to be published on the World Wide Web. Finally we have all the seven parts of Vedic Experience on line. In the future we will make it more user freindly with its footnotes.
