The faithfool of Abraham¹ who still hear the adhan of their Pentecost-Father from the Dark¹ Age that Was will not have ears for the *Vardaan* of the Paraclete-MOTHER in the New Age that Is.... You can also take this highest realization of SELF from this *pariah dog* and run with it, Preya! (January 5, 2021)

January 5, 2021

Given the cosmic trajectory that this Great Conjunction of December 21, 2020, is pointing towards, the last two posts of January 2 and 3, 2021—"the only unforgivable sin" and "Gift (of the Paraclete)"—are actually calibrating the intricate maneuvers that HALF THE SKY must deeply understand to chart their pre-ordained destiny.

We are talking about a seismic shift in Consciousness and the energy emanating here required to commence it. The Vast Mind from now onward must always be their Inner Guide. The rest of humanity will follow, sooner or later and 2050 is so doable!

So how can they see tomorrow what is obviously invisible today?

"NOTE: I had to update "[the only unforgivable sin](#)" because most Christians in 2021 still will have no idea of Jesus' declaration twenty centuries ago. I believe the update will bring clarity to HALF THE SKY that Christians, even after reading the PDF update, will still have no solid answers--

"As to explaining why a sin against the Holy Spirit is so repulsive and unforgivable to God, neither my colleague nor I had any solid answer for our friend."

--until and unless they understand the Pentecost fabrication. HALF THE SKY must and will one day realize the exclusive [Gift \(of the Paraclete\)](#) they have been given by the Savior."

The words of Jesus are disturbing and dark. It first exposes and subsequently destroys the 5000-year-old patriarchal subjugation and dominance of the Father over [THE MOTHER](#). There is no question of this today. It is 100% obvious as I have spent the last 25 years fruitlessly searching THE FATHER, which I wanted to find out when this *pariah dog* asked: "[Kuch bhool Prahbu yeh kya Maya?](#)" He does not exist; it is all Maya, period.

So, HALF THE SKY must remove all doubts and have ears that hear that ominous warning of Jesus—whose mere line in the synagogue sand can today stop an enraged mullah mob—that has been hiding in plain sight for the last 2000 years:

"Whoever is not with me is against me, and whoever does not gather with me scatters. And so I tell you, any sin and blasphemy can be forgiven. But blasphemy against the Spirit will not be forgiven. Anyone who speaks a word against the Son of Man will be forgiven, but anyone who speaks against [the Holy Spirit](#) [Shri Mataji] will not be forgiven, either in this age or in the [age to come](#)." **Matthew 12:30-32** [emphasis ours]

Verily I say unto you, All sins shall be forgiven unto the sons of men, and blasphemies wherewith soever they shall blaspheme: But he that shall blaspheme against the Holy Ghost [Shri Mataji] hath never forgiveness, but is in danger of eternal damnation. **Mark 3:28-30** [emphasis ours]

"I tell you, whoever acknowledges me before men, the Son of Man will also acknowledge him before the angels of God. But he who disowns me before men will be disowned before the angels of God. And everyone who speaks a word against the Son of Man will be forgiven, but anyone who blasphemes against THE HOLY SPIRIT [THE MOTHER within] will not be forgiven." **Luke 12:8-10** [emphasis ours]

In all three warnings Jesus never mentions the patriarchal Father worshipped for the last 3000 years in the synagogues. He does not even remotely allude to the Father of Lies. The Pentecost Father is completely castrated in the Age to Come. Only the Paraclete-HOLY SPIRIT of Jesus was to reign supreme again, after 5000 years, in the Age to Come. HALF THE SKY must today understand and fully embrace THE MOTHER of the Age that Is:

Unquestionably follow the prophet who protected the adulteress with just a finger in the sand than the gods who stoned and flogged them with just a finger at their scriptures. [Deuteronomy 22:20-25] [Quran 24:2] [Sahih Bukhari 8:817] (March 25, 2020)

But how does THE MOTHER still bring peace, harmony, hope, salvation, and life eternal/*moksa* to the faithfool of Abraham who follow the Pentecost Father? She exists in all their holy scriptures—Torah, Bible, Quran—just as SHE exists in the Vedas, Gitas, Guru Granth Sahib, and Tao Te Ching. THE FATHER is all [Britannica Maya](#). You can take this highest realization of SELF from this pariah dog and run with it too, Preya!
